

### **About Us:**

We are a midland based company in search of skilled trades people to join our exciting team. Qi Refurbs and Contracts Ltd specialises in high-quality internal refurbishment projects, focusing on Dental, Medical, Local Authority, commercial installations and more. Once our staff arrive, they very rarely leave a testament to the respect they receive as a member of our team.

As such we take huge pride in delivering projects on time and to the highest standards. We act as main contractor for several Blue-Chip Organisations.

### **Position Overview:**

We are looking for new Decorators to join our current team, carrying out a long-term contract within England and Wales.

You would be working alongside our existing teams and enjoy full onsite support.

You'll also be able to read and interpret designs, liaise with suppliers, follow refurbishment project scopes of work and programs, whilst potentially sourcing site materials from time to time.

### **Key Responsibilities:**

- Safely set up sites and work within Risk Assessments and Method Statements.
- Asbestos Awareness, Working from Height and First Aid certificates are essential; however, training can be arranged to suitable candidates.
- Project Preparation: on-site preparation such as ladders, scaffolds.
- Site Preparation: prepare surfaces for painting for example using sandpaper, removing old paint, etc.
- Fill cracks and holes with appropriate material
- Excellent attention to detail and precision in measurements, ensuring high-quality finishes.
- Ability to work both independently and as part of a team, demonstrating awareness of programs and working with other trades
- Strong understanding of the project lifecycle, along with your contribution and the effect on over running.

### **Qualifications & Experience:**

- Proven experience as a painter & decorator in a professional setting
- Strong knowledge of painting tech and materials
- Relevant CSCS in your skill set is a distinct advantage.
- Clean Full UK driving licence
- Have the right to work in the UK

If you are a skilled trades person looking for an opportunity to showcase your abilities and contribute to exciting and varied projects, we encourage you to apply.

### **Key attributes:**

- Great communicator
- Keen attention to detail

- Proud of their work and strives for perfection in the finished product
- Committed to delivering high-quality workmanship
- Be aware of other trades working to the project timeline.
- Must be fluent in English
- Flexible approach
- Experience: total work: 2/3 years (required).

We are particularly interested in speaking to candidates with SMSTS or SSSTS, or CSCS Black Card holders.

**Job Types:** Full-time, Permanent, Sub-contract

**Benefits:**

- Remuneration: Salaries + Allowances, based on job role applied for. Negotiable based on experience, qualifications
- Contributory Pension Scheme
- 28 Days Annual Leave, inclusive of bank holidays etc
- Possible use of company vehicle.
- Fuel Card
- Free Counselling Service
- Company Credit Card
- PPE provided
- Role related training available

**Schedule:**

Days and evening shift available.

Monday to Friday

Weekend availability

**Work Location:**

England and Wales

(Candidates must be based in the midlands)

**Application Process:**

In the first instance please send your CV/introductory letter to [hello@qircltd.co.uk](mailto:hello@qircltd.co.uk)

To demonstrate your experience, you must pass an interview and/or assessment. If successful, you will undergo an induction to prepare for your role. Serious applicants only.
